Adam the Great, Top-Notch Comedy Magic

Charles Johnson
PO Box 42034
Portland, OR 97242
360-513-8688
adam@adamthegreat.com
http://adamthegreat.com

Charles Adam Johnson has been performing magic professionally around the world for over 20 years. He started right after high school, learning mostly from tricks he read about in books. He found his calling after witnessing another magician amazing an audience, the laughter and happiness brought out by the showman's tricks was alluring to Johnson, and he immediately got to work. Better known today by his stage name Adam the Great, his act is described as a mixture of improvisation, skits and, of course, some magic. The show is driven by the reaction of audience members and the connection with people to elicit a positive reaction. He is a two-time Department of Defense Entertainer providing comedy relief with magic for troops and their families overseas. His performances consist of stage shows as well as times he will roam and perform tricks on the spot. Adam the Great is truly 'Defying the Laws of Entertainment'.

Founded in Fairbanks, Alaska on April 1, 1987, All-Alaskan Racing Pigs has been amusing crowds at fairs, festivals and private events ever since. The air conditioner on the roof of the piggy penthouse reveals how we treat our animal friends. The simple, clean look of the show reveals that the pigs and people are the real stars. Professional comedy announcers reveal the silliness of it all. This is the finest animal attraction of this type in the fair business. We make lasting memories. Multiple generations return to our shows each year to catch up on the latest action. Bring the action to your fair.

Marty Davis started out singing Country music, but one of the most popular parts of his show has always been the Western music segment. It tells the story of the Old West and the Silver Screen Cowboys. Marty has performed to standing-room-only crowds in Nevada casinos, nightclubs, fairs, conventions, concerts and rodeos around the U.S. Marty will take you on a nostalgic trip through time, back to when the good guys wore white hats, kissed their ponies instead of the girls, headed the bad guys off at the pass and always caught 'em in the end! All without mussing up their rhinestone and fringed shirts, and then rode off into the sunset.
